CANCELLATION POLICY

Section 1: Right of withdrawal

You can **revoke** your contractual declaration **within 14 days without giving reasons by means of a clear declaration**. The period begins after the conclusion of the contract and after you **have received** the contractual provisions including the General Terms and Conditions as well as **all the information listed below under section 2 on** a durable data medium (e.g. letter, fax, e-mail). **To comply with the revocation period, it is sufficient to send the revocation in good time** if the declaration is made on a durable data medium. The revocation is to be sent to:

e.quikk Technologies N.V.

Strawinskylaan 3051, Atrium Building, 4th Floor, 1077ZX Amsterdam, The Netherlands

E-mail: revocation@equikk-ir.com

Section 2: Information required for the start of the withdrawal period

The information within the meaning of section 1 sentence 2 shall include the following:

1. the name and address of the trader, the capacity in which the trader is acting in relation to the consumer and, if the trader is a legal entity, the registered name and business name(s);
2. the nature of the trader's financial services;
3. to the extent that the trader is an UCITS, investment firm providing investment services, a payment service provider, clearing institution or financial service provider, his internal complaints procedure and the recognized dispute body with which he is affiliated (underlying provision: article 4:17, paragraph 1 (a) of The Dutch Financial Supervision Act);
4. the trader's registration in the register kept by the supervisor;
5. the registration number in the trade register;
6. the main characteristics of the financial product;
7. the risk associated with the financial product;
8. the total cost or, where the exact cost cannot be stated, the basis for calculating the cost, allowing the consumer to verify the cost;
9. the circumstance that the consumer may owe other amounts that are not paid through or imposed by the financial service provider;
10. the additional cost of using a remote communication technique;
11. the method of payment by the consumer and the method of performance of the distance contract;
12. limitations in the period of validity of the information provided;
13. the minimum duration of the distance contract;
14. the contractual right to early termination of the distance contract and any penalty associated with exercising that right;
15. the duration of and the conditions for exercising the right to revoke the contractual declaration, including information on the amount the consumer may be required to pay, the consequences of not exercising that right and the manner in which that right may be exercised;
16. the existence of guarantee funds or other compensation arrangements applicable to the distance contract that are not covered by Directive No 1994/19/EC of the European Parliament and of the Council of 30 May 1994 on deposit-guarantee schemes (OJ L 135) and Directive No 1997/9/EC of the European Parliament and of the Council of 3 March 1997 on investor-compensation schemes (OJ L 084);

17. the language or languages in which the terms and conditions of the distance contract and the information referred to in this article are provided, as well as the language or languages in which the trader will communicate during the term of the distance contract;
18. the law to be applied to the establishment of relations with the consumer prior to the conclusion of the distance contract, the law to be applied to that contract and the competent court;
19. the other conditions of the distance contract; and
20. if the trader uses another professional, the name and address of this professional and, if it is a legal person, its registered name and business name(s), and the capacity in which it acts towards the consumer.

Section 3: Consequences of revocation

In the event of an effective revocation, **the services received by both parties shall be returned**. You are obliged to **pay compensation for the value of** the service provided up to the time of revocation if you were made aware of this legal consequence before submitting your contractual declaration and expressly agreed that the performance of the service in return could be commenced before the end of the revocation period. **Obligations to refund payments must be fulfilled within 30 days**. This period begins for you with the dispatch of your notice of cancellation and for us with its receipt.

End of the cancellation policy

Information requirements for off-premises contracts and distance contracts for financial services

Pursuant to article 6:320x of the Dutch Civil Code (Burgerlijk Wetboek) the trader is obliged to provide the consumer with the following information on a durable medium in a clear and comprehensible manner and stating the commercial purpose, in the case of distance contracts in a manner adapted to the means of distance communication used, in good time before the consumer makes his contractual declaration:

1. the name and address of the trader, the capacity in which the trader is acting in relation to the consumer and, if the trader is a legal entity, the registered name and business name(s)

e.quikk Technologies N.V. (public limited company), located at Strawinskylaan 3051, Atrium Building, 4th Floor, 1077ZX Amsterdam, The Netherlands.

2. the nature of the trader's financial services

The Company's main business activity is the assumption of holding activities for companies active in the wholesale of lithium-ion battery cells in the wholesale segment.

3. to the extent that the trader is an UCITS, investment firm providing investment services, a payment service provider, clearing institution or financial service provider, his internal complaints procedure and the recognized dispute body with which he is affiliated (underlying provision: article 4:17, paragraph 1 (a) of The Dutch Financial Supervision Act

In the event of disputes arising from the application of the provisions of the Dutch Civil Code (Burgerlijk Wetboek) concerning distance contracts for financial services, it is possible, without prejudice to the right to appeal to the courts, an appeal may be made to one of the Disputes Committees under the Dutch Foundation for Consumer Complaints Boards (*Stichting Geschillencommissie*) available at: www.degeschillencommissie.nl.

4. the trader's registration in the register kept by the supervisor

the company itself is not registered with the Dutch Financial Supervisory Authority (the AFM). However, the prospectus published in connection with the public offering of the shares is available at: www.afm.nl and on the website of the Company www.equikk.com under the "Investor Relations" section.

5. the registration number in the trade register

E.quikk Technologies N.V. is registered in the register of the Dutch Chamber of Commerce Amsterdam, CCI No. 83395385.

6. the main characteristics of the financial product

New ordinary shares are being offered for purchase. The offer is for the purpose of corporate financing. Ordinary Shares rank pari passu among themselves and the Company's shareholders are entitled to dividends and other distributions declared after the adoption of the financial statements showing that such distribution is authorised and will be made on them. In the event of a winding up of the Company, any proceeds shall be distributed to the shareholders of the Company in proportion to their holdings. Each ordinary share carries one vote at the Company's general meeting. All shares offered have been or will be created in accordance with the provisions of Dutch law. They confer the same rights and no ordinary share confers any additional rights or benefits.

The contract is concluded upon acceptance of the subscription by the Board of Directors of the Company.

7. the risk associated with the financial product;

The capital investment offered is subject to special risks. The main risk of the capital investment offered here lies in the economic development of the Company. Therefore, this capital investment is associated with the risk of partial or even total loss of the capital invested. The income generated in the past is not an indicator of future income. The risk factors are in more details described in the prospectus relating to the offering. This prospectus is available at: www.afm.nl and on the website of the Company www.equikk.com under the "Investor Relations" section.

The financial service does not refer to financial instruments whose price depends on fluctuations on the financial market.

8. the total cost or, where the exact cost cannot be stated, the basis for calculating the cost, allowing the consumer to verify the cost;

The issue price per share is EUR 1.70.

There are no other price components.

The subscription of the capital investment is exempt from VAT. The Company does not assume the payment of taxes on behalf of the Shareholder unless there is a legal obligation to do so.

9. the circumstance that the consumer may owe other amounts that are not paid through or imposed by the financial service provider

There are no additional costs for the purchase of shares or communication with the Company imposed by e.quikk Technologies N.V.

10. the additional cost of using a remote communication technique;

Such costs will not be charged to the shareholder.

11. the method of payment by the consumer and the method of performance of the distance contract;

The details of payment and performance by the Company are set out in the Articles of Association of the Company, the Subscription Form and the provisions of Dutch law governing public limited companies (naamloze vennootschap).

12. limitations in the period of validity of the information provided

The validity of this information is unlimited. The subscription period for the offer of the shares ends with the full placement of the offer, but no later than 12 months after the approval of the securities prospectus published for the offer. The right to shorten the period is reserved. The prospectus is available at: www.afm.nl and on the website of the Company www.equikk.com under the “Investor Relations” section.

13. the minimum duration of the distance contract

The term of the shares begins on the day the shares are issued and ends when they are sold or repurchased by the Company.

14. the contractual right to early termination of the distance contract and any penalty associated with exercising that right;

There is no right to terminate the contract.

Contractual penalties are not provided for.

15. the duration of and the conditions for exercising the right to revoke the contractual declaration, including information on the amount the consumer may be required to pay, the consequences of not exercising that right and the manner in which that right may be exercised

The shareholder may revoke his contractual declaration in accordance with the above revocation instructions vis-à-vis the revocation recipient named in section 1. The legal consequences of the revocation are set out in section 3 of the above revocation instructions.

16. the existence of guarantee funds or other compensation arrangements applicable to the distance contract that are not covered by Directive No 1994/19/EC of the European Parliament and of the Council of 30 May 1994 on deposit-guarantee schemes (OJ L 135) and Directive No 1997/9/EC of the European Parliament and of the Council of 3 March 1997 on investor-compensation schemes (OJ L 084)

There is no deposit insurance, no guarantee fund and there are no compensation schemes.

17. the language or languages in which the terms and conditions of the distance contract and the information referred to in this article are provided, as well as the language or languages in which the trader will communicate during the term of the distance contract

The Subscription Form as well as the prospectus relating to the offering are in the English language. All other communication in the Netherlands, including the communication between the Company and the shareholder will be in English during the term of the share.

18. the law to be applied to the establishment of relations with the consumer prior to the conclusion of the distance contract, the law to be applied to that contract and the competent court

The Company and the provisions of the Articles of Association of the Company and the rights and obligations arising from the Shares are governed by the laws of the Netherlands.

The place of jurisdiction is the court responsible for the Company's registered office, although consumers may also bring an action before any other competent court.

19. the other conditions of the distance contract; and

No other conditions.

20. if the trader uses another professional, the name and address of this professional and, if it is a legal person, its registered name and business name(s), and the capacity in which it acts towards the consumer.

Board of Directors: Mr. Karoly Krizsan as Managing Director.
